About Glycines

Created from part of the original stables and animal shelter, this 2 bed self catering gite is laid out very similar to the 1 bed but with the addition of a 2nd bedroom downstairs next to the lounge.

A narrow old staircase leads to a landing and bathroom with full size bath and overhead shower, washbasin and W.C. At the front on the first floor is a large double bedroom.

The patio is at the front of the gite, is the width of the ground floor and has outdoor furniture and barbecue and once again is screened for privacy by wooden fencing, trellis and climbing plants.
