La Grappe

Midi Pyrenees / Tarn et Garonne / Castelsagrat

About La Grappe

You enter the house from your private terrace directly into kitchen/diner which is fully equipped for 4 people and has air conditioning/electric heating. There is a TV and DVD player (we have an extensive selection of DVDs available to borrow from our games room) and limited European satellite channels. Also a CD player with connections for iPods/MP3s. If you haven't brought enough books to last you, there are plenty provided in the house. The windows look out over the valley.

Layout:

There is one double en-suite on the ground floor - also with lovely views of the valley and the surrounding countryside. This room has an electric heater - unlikely to be needed in the summer!

A staircase takes you down to the lower ground floor which has a king size double bed and en-suite shower/WC. There is air-conditioning/electric heating. An external door opens out on to a small grassed area with a table and chairs - ideal for an early morning cup of coffee or a final glass of wine at the end of the day.

At ground floor level you have your own private terrace - perfect for watching the sunset and if you are lucky you may see deer in the fields below or even our resident Owl family!
