Clos des Saveurs

Aquitaine / Gironde / Gensac

About Clos des Saveurs

The property has been newly renovated and re vitalised taking time and care to retain the traditional charm but adding great attention to detail on colour, interesting furnishings and fabrics. The 2 bedrooms are large. The 2 suites are each as big as some city apartments and can sleep 3 without any problems. All bedrooms/suites have a bath with shower head. Heated towel rails. The property is perfect for a gathering; visiting the many beautiful spots around and about. Take a picnic off for the day... spend time by the river or the local lacs. Whatever you do take a chance to visit the superb vineyards of nearby St Emilion. You have several areas in the garden to sit and enjoy meals. A well equipped kitchen with 2 fridges. There is T.V and a music centre. Lots of places to sit and lounge. For playing....board games, boul, kids croquette, swing/slide. Who can pick the largest basket of fruit with mum's help. We know a professional child's teacher willing to teach the kids French?
