About La Creche

Situated on the westernmost tip of Finistère, La Crèche de Penn al Lann Garo lies at the end of a private country lane, just five minutes drive from the unspoilt rugged coastline and quiet sandy beaches famous in this area of France.

Sympathetically restored, La Crèche combines Breton tradition with modern day comfort. So pack up your bucket and spade and come and discover!

The main room features an antique French bed with memory form mattress; the sleeping loft has a gallery which overlooks the living area and is furnished with a comfortable double bed and a day-bed and views across the fields to the coast. The children's room features a bunk-bed and a cot-bed is available on request.

The open plan lounge is light and airy with a wood-burning stove and galleried ceiling.

The large kitchen/dining area includes dishwasher, gas hob/electric oven, fridge and microwave.

The gîte is equipped with a DVD player, video and English satellite TV and a music system. A variety of DVDs are provided as well as a range of games and activities for all weathers and ages.

The modern well-appointed bathroom has a large shower and WC.

In the utility room you'll find a washing machine and ironing board as well as extra storage space.

While the gîte is non-smoking, step outside into the large garden with its outdoor table, chairs and sun parasol. Make the most of eating al-fresco with the purpose built BBQ shelter. Behind the gîte is a boules area and in a shady corner you'll find swings, slides and a climbing frame for the more energetic members of the family!

La Crèche has its own mini flock of hens, which you can feed and collect the eggs (for your own use) or we can do this for you, a treat for most children. We can't accept pets but along with the chickens, our pigs, and lambs (in season) will entertain animal-lovers.

The village of Plourin is just 5 minutes away by bike so enjoy the cycle for your freshly baked morning croissants. Or burn a few extra calories and cycle down to the port of Argenton (about 15 minutes by bike) where you can enjoy a coffee in the local bar whilst deliberating over the days patisseries.
