

Gite Renoir

Lower Normandy / Calvados / Mandeville en Bessin

About Gite Renoir

Set in the rolling Normandie countryside, Le Pressoir's Gîte Renoir is a two bedroom, 2 bathroom gite that is light and airy with patio doors overlooking the lawned garden where there is plenty of communal space to socialise or separate areas if you prefer to be alone. It is furnished cleanly and sympathetically with oak floors, some exposed stone walls and classic French style beds and bed linen.

It is open plan and has a fully equipped kitchen with oven, microwave, fridge, dishwasher, Tassimo coffee maker, crockery and a dining area with large table and 4 chairs. The table can be extended and two additional chairs are available if you need them.

Gîte Renoir is ideal for couples and families alike, the lounge area has two sofas, one of which is a sofa-bed and a 32in plasma screen and free Wi-Fi. Plus there is a small downstairs toilet. A baby chair, changing table and cot are available if needed and a laundry room is also available to use if you wish.

You'll be sure of a good night's sleep in the first bedroom with its classic French Blue and Cream Tapestry Bed with its traditional curved end. The Antique bed matches the old French Armoire (wardrobe) that has been lovingly brought up to date with a fresh, new French Creamy-White facelift. Both beautifully compliment the soft cream bedding and generous pillows. Sweet Dreams.

This room also has a 32in plasma and the ensuite bathroom is equipped with a basin, toilet and bath with shower... so you can either have a long relaxing soak in the bath or a quick invigorating shower and you'll also be provided with plump towels to wrap yourself in.

The second bedroom is slightly smaller but is still a double and also has a classic French Tapestry Bed in soft creams and pinks. Beds don't get more French than this so you'll feel right at home in this light, cosy room with its peaceful ambience. It also has an ensuite shower room and toilet.
