About Le Caillau

The Le Caillau gite combines the charm of a 300 year-old winery with a stylish interior.

The gite has a fully fitted kitchen with double doors onto a private terrace. The dining area has a fireplace with a wood-burning stove and air conditioning. The living room has a TV, DVD player and mp3 player.

The extremely spacious main bedroom is on the ground floor. The Kingsize bed is fitted with Egyptian cotton sheets. There are double doors onto a private terrace with views over the vines. Upstairs is a smaller bedroom with twin beds. The bathroom has a free standing bath and walk-in shower, with a separate toilet. The gite has 2 private terraces overlooking the vines of Cahors, private heated pool and large garden.
