## Ruche Gite

Poitou Charentes / Charente Maritime / St Pierre de Juillers

### About Ruche Gite

Our family friendly cottages or gites as they are known in France, welcome families with babies, toddlers and young children. We offer a safe and peaceful environment in which to enjoy an affordable self catering family holiday in rural France. With other toddlers and young children for yours to play with and an enclosed garden and safely enclosed swimming pool you will be able to relax with a chilled glass of wine chatting to like minded parents whilst your children make new friends.

Ruche Gite sleeps 6 in 3 bedrooms and is mirror image of its neighbour Horloge Gite. They were originally one large barn with huge wooden doors, for the storage of hay in the 18th century and more recently, farm equipment. We split the barn in to two - each approximately 6m by 6m. Each has a spacious open plan ground floor with living and dining areas and a kitchen area.

The open tread, cast iron, spiral staircases lead to the first floor which have 2 twin rooms and a double.

They both have open terrace areas to the front and rear with charcoal barbecues at the rear. Two families together may like to let these two as there is a space between the two which may be used to put tables together and eat as one large group. The bathrooms each have a bath with shower attachment, basin and toilet and plenty of hot water and good pressure. Old beehives and an old grandfather clock case were found in the old barn, hence the names Ruche and Horloge.
