About Grenier Gite

Our family friendly cottages or gites as they are known in France, welcome families with babies, toddlers and young children. We offer a safe and peaceful environment in which to enjoy an affordable self catering family holiday in rural France. With other toddlers and young children for yours to play with and an enclosed garden and safely enclosed swimming pool you will be able to relax with a chilled glass of wine chatting to like minded parents whilst your children make new friends.

Grenier gite sleeps 6 in 3 bedrooms. On the ground floor there is an open plan living dining area and a medium sized kitchen to the front. The kitchen is equipped with dishwasher, 4 ring gas hob, mini work top electric oven/grill, microwave, fridge freezer plus drinks refrigerator and all basic crockery and cutlery. An open tread, cast iron, spiral staircase takes you to the first floor with double bedroom and single bedroom, both of which have draws and hanging space. there is a modern bathroom with bath, shower facility, toilet and basin, with loads of hot water and good pressure.. The staircase continues to the second floor - a large open attic bedroom with 3 single beds. There is a small wardrobe and 2 sets of draws. We recommend that this room is used by older children who are able to safely negotiate the spiral staircase to visit the bathroom at night, or by a child in a cot (and cannot get out) however a stairbarrier is provided. A travel cot will fit in any of the bedrooms and there is also a wooden cot on the spacious landing.
