About Le petit Logis du Breuil

A lovely old hunting lodge and outbuildings as a holiday home - a dream...

If you wish to spend a romantic break, just the two of you or with a friend or even squeezing in a child, le pouët has been designed for you.

This little house of 30 m², completely renovated, is made up of two rooms. A bedroom with two single beds (they can be put together), a living room, a fully equipped open kitchen, a shower room. With his exposed stone, slabbed floor and antique furniture this little love-nest in rustic style takes us back to childhood days. Open the red curtains to watch the birds unfazed by your presence landing on your window sill.

In the courtyard by the old well, a private garden, equipped with garden furniture, invites you to take your meals outside and offers you moments of real relaxing.
