About Les Chimères gite 1

Les Chimères B&B also has 2 gites, each for 2 to 3 people, with wonderful views from both the gites and garden. On the ground floor, they are an ideal base from which to explore the Quercy or further afield.

Puylaroque boasts shops, services, bars and restaurants so you won't need your car for those daily essentials!

Each gite has a bedroom...gite 1 has 2 single beds, living room with wooden bedbase divan for possible third person, kitchen area and shower room. Flooring is tiles and stratified for easy maintenance. Animals welcome. English books and plug adaptors, fans. Wooden barred cot available on request.

The English owner is on site: discreet, but there if you need help, translation or information gleaned from her 33 years in the village!

Further details available on my website, please don't hesitate to contact me with any queries.
