About St Leon

St Leon is the combination of La Fermiere (ref 1762) and Le Pressoir (ref 1724) and is set at the end of a country lane in its own grounds.

The well equipped kitchens both includes an oven, gas hob, fridge/freezer, toaster, kettle, microwave, coffee maker, dishwasher and handheld blender.

As well as the 2 kitchens there is a large living room with a dining area, a living room with exposed beams and a log burning stove, 8 bedrooms and 8 bathrooms.

One bedroom is downstairs while on the first floor there is one double bedroom, one dorm room with four single bedrooms and two other bedrooms. On the second floor there is one double bedroom and two further bedrooms. Five of the bedrooms have twin zip and link beds so can be set up as either twins or king size doubles. All bedrooms have en-suites apart from the dorm room, which has a bathroom right next door.
