## Le Moulin de l'Argentouire

Languedoc Roussillon / Aude / Issel

### About Le Moulin de l'Argentouire

Le Moulin was originally a water mill and was around 300 years in the making. The house has been separated to provide a large comfortable gite and private living quarters for the owners.

It has been renovated to a high standard whilst being careful to retain its rustic charm. The gite is very spacious and is in an unspoiled and secluded, but not isolated, location in the French countryside. Perfect for idyllic French holidays in the Languedoc Roussillon region of Southern France.
