About Middle Cottage

Middle Cottage is a stone built, sympathetically renovated house which has two bedrooms, sleeping up to four people, and a bathroom upstairs and a large sitting room with kitchen downstairs. The cottage is well-equipped and comfortable. There is a television and wireless internet is provided. The garden is south facing and you can eat your meals at the table and chairs immediately outside the cottage.

I have hens, ducks, goats and a veggie growing area two hundred metres from the cottage, and a rabbit area in the garden. I also have three cats who roam about freely.

All bedlinen and towels are included in the price, as are tea towels, dishwasher tablets, logs for the woodburner etc. If you are planning to arrive after the shops have closed, then I can arrange for essentials like milk to be bought and waiting for you in the cottage if you let me know what you require.

Beach towels can also be provided and bicycles are available for hire from the main house.

We also have another cottage which sleeps two, Small Cottage.

Tariff

£75 per night - minimum stay is two nights

We also have another cottage, Small Cottage, which sleeps two people. In the event that both cottages were rented together there would be a 10% discount on the total price.
