Gite de Monarque

Limousin / Correze / St Julien le Vendomois

About Gite de Monarque

The gite sleeps 8 and is converted from a large stone barn.

It is one of two gites that are set in 2 acres of land mainly laid to grass with a lovely 10x5m swimming pool that has a terrace with loungers, parasols and a Gazebo for when you want to escape the sun completely.

It is in a really really quiet rural area with a single track lane running past.

The entry into the gite is into a large well appointed kitchen and dining room with a wooden table and high backed faux leather chairs for 8 people.

The hallway leads to a large lounge which has a very homely feel to it with 4 sofas one which converts into a double bed so can accommodate 2 extra people. There is a lovely large carved wooden wall unit, 2 coffee tables and side tables with lamps. We also have satellite flat screen TV, DVD player.

From this hallway there is a shower room with shower cubicle, a large sink unit with cupboard and mirror and a toilet. A wooden staircase leads to the 3 bedrooms.

The master bedroom has a carved wooden double bed, wardrobe, bedside tables and dressing table.

The second bedroom is much larger, it is split into two with an iron framed double bed and on a mezzanine floor there is a second double bed.

The third bedroom although smaller than the others is still a good size with 2 single beds, wardrobe and bedside tables.

On the landing leading to the bedrooms is also the bathroom which has a bath with shower over it, and a glass screen, a sink unit with cupboard and mirror and a toilet.

Further information is available on our website, please contact us for details.
